Class Description

Latin 16 is an intensive, 8-week course on Classical Latin, the academic credit for which is the equivalent of the one-year introductory course in Latin offered by the Department of Classics. The course fulfills the UCLA language requirement, and the requirements for majors in Classical Civilization. After completing Latin 16, students are equipped to enroll in Latin 20.

Attendance, Participation, and the No Makeup Policy

The pace of this course demands *mandatory* attendance at every class. Missing even a single day can have a hugely negative effect on a student's progress. As such, *no makeup homework, quizzes, or exams* will be accepted, except in cases of documented emergencies. We know that the pace of the class is very intense, so please let us know if you are having problems, and we will try to make arrangements to help you!

Students are expected to participate actively in class, being prepared to answer questions when called upon. We ask that students not use cell phones, tablets, and laptops during class time, except during breaks.

Homework

Homework will be assigned and reviewed daily. Completing all of these assignments is required to receive a passing mark, as the homework assignments will provide essential practice in each day's lecture material. Late homework will not be graded and will receive a score of zero, unless arrangements with the instructors have been made beforehand.

Quizzes and Exams

The bulk of a student's final grade will consist in daily quizzes and weekly exams. Although these quizzes and exams will focus on recent lecture material, language courses are by nature cumulative, and so all material previously covered is "fair game." Students may drop their 2 lowest quiz grades

Academic Misconduct

Plagiarism or the giving or receiving of unauthorized assistance on examinations will not be tolerated. For the university's policies on cheating, see the website for the Dean of Students: <http://www.deanofstudents.ucla.edu/Academic-Integrity>.

Accessible Education

The Center for Accessible Education (CAE) coordinates accommodations and services for all UCLA students who are eligible. If you have a disability for which you wish to request accommodations and have not contacted CAE, please do so as soon as possible. Their office is located in A255 Murphy Hall; their phone number is (310) 825-1501. Information about their services can be found at <http://www.cae.ucla.edu/>.
